# BASTROP ISD

The Bastrop Independent School District is the public school system of choice in the Bastrop area, serving more than 13,000 students in Bastrop, Cedar Creek, Red Rock, Rockne and Paige. Nestled along the beautiful Colorado River in the picturesque Lost Pines, we are conveniently situated 30 miles southeast of Austin, 100 miles northeast of San Antonio, and 130 miles west of Houston. Bastrop ISD is one of the largest districts geographically in the State of Texas, at 433 square miles.

We have four high schools--two comprehensive high schools, a nationally-ranked and award-winning early college high school, and an alternative high school. We also have two middle schools (7-8), two 6th-grade centers, and eight elementary schools (grades pre-K through 5). Beginning with the 2025-2026 school year, we will have four middle schools serving grades 6-8 and two additional elementary schools, thanks to the 2023 Bond Program. In addition, Bastrop ISD operates three state-licensed, four-star-rated Child Development Centers for children aged 6 weeks to 4 years old.

Bastrop ISD maintains high expectations and a complete commitment to investing time, energy, talents, and expertise towards each student. In Bastrop ISD, "Their future is our focus!" We offer numerous postsecondary pathways including a P-TECH Academy in Advanced Manufacturing, a P-TECH Academy in Health Science Technology, and an Early College High School Program in Education & Training. Students can also explore culinary arts, visual arts, automotive technology, construction science, Project Lead the Way engineering, and many other pathways to help them craft their futures.

In Bastrop ISD, we place a premium on safe and secure learning environments, which is why we invest in the Bastrop ISD Police Department to ensure officers are well equipped and highly trained to protect students and staff. We also partner with local law enforcement and first responder agencies.

## ELEMENTARY SCHOOLS

### Bluebonnet Elementary School

**416 FM 1209, Bastrop, Texas 78602, (512) 772-7680, [bisdtx.org/bes](https://bisdtx.org/bes)**

Bluebonnet opened its doors in 2004 and is home to the Cardinals. It serves 750 students in grades PK through 5. Offering a compassionate school community, Bluebonnet works to unite with families in its dedication to children through a commitment to innovative instruction and fostering a desire to learn.

### Camino Real Elementary School

**2380 FM 812, Dale, Texas 78616, (512) 772-7720, [bisdtx.org/cre](https://bisdtx.org/cre)**

Camino Real Elementary is home of the Falcons and is of the two new schools opened in the District in August 2023, thanks to the 2021 Bond Program. It serves 740 students in grades PK-5. We know that CRE will be the hub of a growing community as new neighborhoods and businesses pop up throughout the area.

### Cedar Creek Elementary School

**5582 FM 535, Cedar Creek, Texas 78612, (512) 772-7600, [bisdtx.org/cce](https://bisdtx.org/cce)**

Cedar Creek Elementary opened its doors in 1993 and serves nearly 750 students in grades PK through 5. The mascot is the Eagle. It's also home to one of three "Texas Rising Star" Child Development Centers in BISD.

### Colony Oaks Elementary School

**601 Sam Houston Dr., Bastrop, Texas 78602, (512) 772-7740, [bisdtx.org/coe](https://bisdtx.org/coe)**

Approximately 720 students have called Colony Oaks Elementary School their home since it opened in August 2023 as part of the 2021 Bond Program. Their school mascot is the Cougars, and they are situated within The Colony neighborhood but also serve other nearby communities.

### Emile Elementary School

**601 MLK Jr. Drive, Bastrop, Texas 78602, (512) 772-7620, [bisdtx.org/emile](https://bisdtx.org/emile)**

The historic Emile school first opened its doors in 1892 and has since undergone many changes. Today it continues to hold a special place in the heart of this community as it serves 585 students in PK through 5. On the campus is a "Texas Rising Star" Child Development Center as well.

### Lost Pines Elementary School

**151 Tiger Woods Drive, Bastrop, Texas 78602, (512) 772-7700, [bisdtx.org/lpe](https://bisdtx.org/lpe)**

Lost Pines Elementary serves approximately 870 students in grades PK through 5. They are the Explorers and love learning about the world and how they can make a difference in it. Teachers and staff create opportunities for students to "soar" into excellence!

### Mina Elementary School

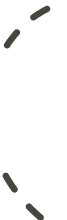

**1204 Farm St., Bastrop Texas 78602, (512) 772-7640, [bisdtx.org/mina](https://bisdtx.org/mina)**

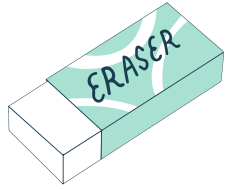

Mina Elementary School is located in the heart of Downtown Bastrop and has a rich history in the District, having previously served as a middle school and high school. It is home to just under 750 students in PK through 5 who call themselves the Mina Stars. Their mission is to help students "Find Joy in the Journey!"

### Red Rock Elementary

**2401 FM 20, Red Rock, Texas 78662, (512) 772-7660, [bisdtx.org/rre](https://bisdtx.org/rre)**

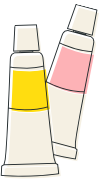

Red Rock Elementary is located in the Red Rock community and is home to more than 820 Roadrunners in grades PK through 5. Teachers and staff are committed to the whole child and to ensuring excellence for every student so that they can reach their full potential.

# BASTROP ISD

## MIDDLE SCHOOLS

### **Bastrop 6th Grade Center (Future Middle School in 2025-26)**

**509 Old Austin Highway, Bastrop, Texas 78602, (512) 772-7450, [bisdtx.org/bis](https://bisdtx.org/bis)**

For the next two school years, the Bastrop 6th Grade Center (formerly Bastrop Intermediate) will house 6th grade students only with approximately 420 students currently enrolled. The 2023 Bond Program will convert this school into a comprehensive middle school serving grades 6 through 8 beginning in the 2025-26 school year.

### **Cedar Creek 6th Grade Center (Future Middle School in 2025-26)**

**151 Voss Parkway, Cedar Creek, Texas 78612, (512) 772-7475, [bisdtx.org/cci](https://bisdtx.org/cci)**

For the next two school years, the Cedar Creek 6th Grade Center (formerly Cedar Creek Intermediate) will house 6th grade students only with approximately 450 students currently enrolled. The 2023 Bond Program will convert this school into a comprehensive middle school serving grades 6 through 8 beginning in the 2025-26 school year.

### **Bastrop Middle School**

**725 Old Austin Highway, Bastrop, Texas 78602, (512) 772-7400, [bisdtx.org/bms](https://bisdtx.org/bms)**

Opening its doors in 1999, Bastrop Middle School currently serves nearly 890 students in grades 7 and 8. Beginning with the 2025-26 school year, it will also serve 6th grade with renovations and upgrades occurring as part of the 2021 and 2023 Bond Programs. BMS provides students a wide range of extracurricular choices and academic pathways to prepare them for high school.

### **Cedar Creek Middle School**

**125 Voss Parkway, Cedar Creek, Texas 78612, (512) 772-7425, [bisdtx.org/ccms](https://bisdtx.org/ccms)**

Cedar Creek Middle School serves more than 1,020 students in grades 7 and 8. Beginning with the 2025-26 school year, it will also serve 6th grade with renovations and upgrades occurring as part of the 2021 and 2023 Bond Programs. CCMS provides students a wide range of extracurricular choices and academic pathways to prepare them for high school.

# BASTROP ISD

## HIGH SCHOOLS

### **Bastrop High School**

**1614 Chambers Street, Bastrop, Texas 78602, (512) 772-7200, [bisdtx.org/bhs](https://bisdtx.org/bhs)**

Established in 1898, Bastrop High School is located in beautiful, historic downtown Bastrop. It is home to 1,730 students who have access to high-quality academic programs such as dual credit, AP, P-TECH Academy in Health Science, Project Lead the Way engineering, and numerous extracurricular choices for a well-rounded education. BHS is home to the Bears, award-winning sports and fine arts programs, and unique traditions!

### **Cedar Creek High School**

**793 Union Chapel Road, Cedar Creek, Texas 78612, (512) 772-7300, [bisdtx.org/cchs](https://bisdtx.org/cchs)**

Home of the Eagles, Cedar Creek High School opened in 2010. Today, nearly 2,150 students proudly call CCHS their home. Students in grades 9-12 have the opportunity to explore a wide range of programs to prepare them for college and career including dual credit, AP, P-TECH Academy in Advanced Manufacturing, Project Lead the Way engineering, and numerous extracurricular choices for a well-rounded education, including the incredible Ballet Folklórico!

### **Colorado River Collegiate Academy**

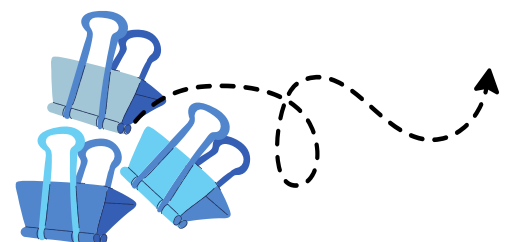

**1602 Hill Street, Bastrop, Texas 78602, (512) 772-7230, [bisdtx.org/crca](https://bisdtx.org/crca)**

The Colorado River Collegiate Academy is the District's early college high school with an enrollment of 225 students. Students who attend CRCA also attend Austin Community College and can graduate with an Associate's degree with all tuition, books, fees and transportation paid for by the District. CRCA is nationally ranked and is a four-time recipient of the U.S. News & World Report Best High School in America distinction.

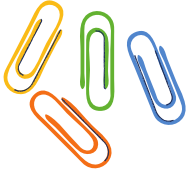

### **Genesis High School**

**1602 Hill Street, Bastrop, Texas 78602, (512) 772-7230, [bisdtx.org/ghs](https://bisdtx.org/ghs)**

Genesis High School has approximately 140 students enrolled and offers the same diploma programs accessible to students at both BHS and CCHS but with smaller classes and an individual pace. It is intended to provide students who are at risk of dropping out with an alternative means to receiving their high school diploma. Enrollment is by application only and based upon eligibility.

# CALVARY EPISCOPAL SCHOOL

Calvary Episcopal School fosters the development of the whole child in a Christian environment, models respect for others, and encourages a love of learning through a sense of joy and wonder in all God's works.

Episcopal schools are known for educational excellence. As embodiments of the Christian faith, they serve God in Christ in all persons, regardless of origin, background, ability, or religion and "strive for justice and peace among all people and to respect the dignity of every human being." This intentional pluralism is also a distinguishing hallmark of Episcopal schools.

Come together for regular chapel and worship services that are creative, age-appropriate, inclusive, and grounded in the traditions of the Episcopal Church. Value and emphasize a community life in which the physical, spiritual, and emotional health of all are supported and nurtured. Engage in a study of religion that is academically substantive, age-appropriate, and fosters dialogue with other faith traditions. Integrate the ideals and concepts of equity, justice, and a just society throughout the life of the school. Community service is an integral part of the life of the school.

At Calvary, our educational philosophy engages the whole-child, and includes STEM, arts, music, and religion. Calvary's alumni have consistently gone on to success in higher levels of education. We matriculate students who go on to the highest levels of success in Jr. High, High School, and Colleges across the country. Our students make an impact in Bastrop, across Texas, throughout the country, and around the Globe.

# BASTROP MONTESSORI

The Mission of Bastrop Montessori is to provide a nurturing environment, where learning happens through wonder and discovery, and where a lifelong passion for learning and contribution comes alive in each child. As members of Greater Bastrop County, we seek to contribute and make a difference in our community through service projects and through enriching the lives that we are privileged to touch.

In today's rapidly changing world it is more important than ever before that young people retain their natural sense of curiosity, adaptability, sense of wonder, adventure, and compassion for others! With each passing year, we are seeing innovations in how and where people work, with an incredible upsurge of entrepreneurial opportunities, and more work communities valuing creative "outside the box" thinking.

The philosophy and educational approach that Dr. Maria Montessori developed over 100 years ago provide a learning environment that encourages children to care for one another and their environment, to explore, think for themselves, collaborate and think creatively. Montessori education is education for the whole child, encompassing not only academics but world cultures, social-emotional learning, conflict resolution, care of the environment, arts, music, and creativity! Montessori education will prepare your child to thrive in a future that we cannot yet imagine and is an investment not only in your child's life but in the future of humanity and the earth itself.

# GOOD SHEPHERD LUTHERAN SCHOOL

Good Shepherd Lutheran School provides the community with quality Christian education and academically challenging curriculum. Serving the mind, body and spirit of all children who enter our program.

Good Shepherd Lutheran School serves our children in so many wonderful ways. In addition to our bible based faith formation, we provide 100% TEK (Texas Essential Knowledge and Skills) aligned coursework. A professional staff of certified Christian educators and parental involvement make it possible to carry out our school's mission. We have partnered with research based publishers, to provide core subject materials in English, Language Arts, Mathematics, Science, and Social Studies. GSLS supplements our coursework with technology components, by providing our children 1:1 Chromebooks with personalized subscriptions to standards aligned online learning platforms such as IXL, and BrainPOP Jr.

When our students aren't in class, they are attending, Chapel, Positive Action (Character Development), Physical education, Music, Art, or MAST (Math & Science Technology) classes that are built into their weekly schedule. These academic components ensure our children receive a well-rounded education that reinforces spirituality, character development, gross motor development and Fine Arts. Research proves students exposed to these programs have a greater sense of self, and report higher academic performance.

# FOUNDERS CLASSICAL ACADEMY - BASTROP

Charter schools are public schools that operate with an agreement (or charter) with a state, school district, or governmental entity to provide an enhanced education that is often unavailable within the conventional public schooling setting. These schools are open to all students, do not charge tuition, have no religious affiliation, and must abide by the same state and federal testing, financial, anti-discrimination, health, and safety regulations as all public schools.

Our campus is small by design, which gives it a private school atmosphere where parents, faculty, and staff can work together for the benefit of each child. Though it may seem like a small private school, it is an established, tuition-free public school of choice.

Founders utilizes a classical approach to education characterized by a traditional liberal arts and sciences curriculum and whole-group teaching methodology with an orientation towards truth, beauty, and goodness. The mindset says that well-informed and self-governing people who pursue the common good promote a healthy and free society. That mindset is informed by a distinct body of knowledge and tools of learning that promotes an understanding of the human experience.

Our classical threefold method of instruction recognizes that all learning is built upon previous learning and that students learn in a hierarchical manner.

# COMPASS ROSE HARVEST CAMPUS

Through hands-on learning opportunities and connections to successful agricultural programs in the Bastrop and the Greater Austin area, Harvest aims to connect students to opportunities to delve into the world of agricultural science.

Access to a world-class education should be available to all. At Compass Rose Public Schools, academic achievement coupled with personal growth is our True North – everything we do is oriented in that direction. Students will have numerous opportunities for hands-on agricultural and animal engagement. As well as chances to apply their growing S.T.E.M. knowledge in creating and maintaining a community garden. Students thrive in an individualized, structured, and supportive environment. at Compass Rose. Teaching technology literacy, leadership skills, cultural competence, and self-advocacy are critical components to building the leaders of tomorrow.

We are resolute that every student will experience success in school, at every grade level and in every subject, so they can be academically prepared for college, career, and beyond. At the same time, we support our students as they learn the character traits necessary to be good citizens and effective advocates for themselves and others. We provide access to a great education to all students so they can chase their dreams and explore their passions.

# ROSANKY CHRISTIAN SCHOOL

In 2001, the leadership of Rosanky Baptist Church opened the doors to Rosanky Christian Academy after hearing the call from God to provide a place for children in the community to receive a quality Christian education. What began with 15 original students in two Learning Centers is today 7 classrooms, pre-k through 12th, with more than 90 students enrolled.

Through an established curriculum, RCA provides students with an individualized academic program while teaching the principles of life from God's Word. The Academy has seven classrooms, or Learning Centers (LC). Our classes typically stay under 15 students per class. Our classrooms and instruction are based on the ACE curriculum, which is a program that structures the training of your children with a Godly, character-building academic curriculum in a Bible-based, individualized system of learning. Each student has their own student office, which is an integral part of the ACE experience and helps minimize distractions while permitting students to focus on their academics.

Our goal today is the same: to raise up honorable, responsible, godly men and women who set a standard of excellence for their generation. The Rosanky Christian Academy provides biblical teaching and values, skill building, goal setting, reading practice, character building, and Biblical integration through the ACE curriculum. Our campus sits on 18 beautiful acres. Students have access to a playground, covered basketball court pavilion, a ga-ga ball pit, gravel track, and plenty of space for kickball, football and other activities.

We strive to cooperate closely with the parents in every phase of the student's development, especially as it relates to the program, and to aid families in making their homes God-centered.

# FBC SONSHINE ACADEMY - SMITHVILLE

We provide a Christ-centered education that nurtures the spiritual, intellectual, emotional, and physical development of our students. We are committed to partnering with families to cultivate an environment where academic excellence, character formation, and faith formation are integrated and valued. We are committed to fostering a community that is rooted in the love of Christ and guided by a passion for learning, service, and leadership.

## VALUES OF FBC SONSHINE ACADEMY

- **Christ-centeredness:** We believe that all things should be done to the glory of God and that Christ is at the center of all that we do.
- **Academic excellence:** We believe that education is a gift from God and that we are called to steward that gift well. We are committed to providing a rigorous academic program that challenges our students to think critically, to learn collaboratively, and to develop a lifelong love of learning.
- **Character formation:** Education is not just about acquiring knowledge, but also about developing character. We are committed to nurturing moral and ethical development, and to fostering virtues such as honesty, integrity, respect, and responsibility.
- **Service to others:** We believe that we are called to love our neighbors as ourselves and to serve others in Christ's name. We are committed to providing opportunities for our students to engage in service and to make a positive impact on their communities.
- **Partnership with families:** We believe that education is a partnership between the school and families. We are committed to working closely with parents and guardians to support the growth and development of each child, and to providing a safe and nurturing environment where students can thrive.

# SMITHVILLE ISD

$$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$$

The Smithville Independent School District is a proud public school system in the picturesque Lost Pines of Central Texas. With the beautiful Colorado River running through our city, we are in the Heart of the Megalopolis, situated 45 miles southeast of Austin, 85 miles northeast of San Antonio, and 115 miles west of Houston.

Smithville ISD serves over 1800 students. We have four main campuses including Brown Primary School (Pre-K & Kindergarten), Smithville Elementary (1st - 5th), Smithville Junior High (6th-8th), Smithville High (9th-12th), and a nontraditional online high school extension, Tiger Academy. The ACE Program has been providing after-school services to our elementary-level students since 2010. We are also the largest employer in our community with approximately 285 employees with classroom teachers making up the bulk of our employees.

The district received a rating of "A" for "Superior Achievement" under Texas' School FIRST financial accountability rating system. The rating system measures the quality of a school district's financial management and reporting system.

**WEBSITE**  
WWW.ONEDAYACADEMY.COM/

## The purpose of One Day Academy is to:

- Assist parents in the discipling and Christian leadership development of their children, by offering strong academic coursework, on carefully monitored campuses, with faculty members who love the Lord and have served Him for decades.

## One Day Academy exists to:

- Strengthen parents in training, mentoring, and discipling their own children
- Promote a safe environment where learning is encouraged and Godly character is admired
- Equip students for college-level academics and expectations
- Model Christ's example to young people through our teachers, administrators, and church staff
- Offer friendship, guidance, and support through communities of like-minded individuals and families

## Getting Started with One Day Academy

### Step 1... DECIDE PRIORITIES

Every successful enterprise has a vision, and your home school is no exception. After you take time to reflect on progress made, then practically plan for the future.

Ask yourself:

- Can I in good conscience sign-off on ODA's Statement of Faith?
- What is my family's monthly budget for classes?
- Is one of my children a higher priority than others this year?
- Is one subject a higher priority than others this year?
- How will One Day Academy classes blend with my family's other commitments?

### Step 2... GATHER INFORMATION

Once you outline your goals for the coming school year, consider how One Day Academy may support you in achieving them. Start by reviewing our:

- Courses offered
- Campus locations
- Campus schedules
- Teachers' credentials and evaluations
- Monthly tuition and other costs

### Step 3... ASK QUESTIONS

One Day Academy offers you the freedom to select your child's teachers in all subjects. Evaluate our course descriptions or contact our faculty directly regarding:

- Course objectives and methods
- Required materials
- Prerequisites
- Class availability

### Step 4... SELECT CLASSES & REGISTER

The classes are just what you need, and the teachers sound wonderful. All that's left to do is:

- Register with One Day Academy and complete a New Family Interview. After acceptance and welcome email, you may register with teachers.
- Determine a schedule for each student
- Register with each of your child's teachers
- Secure all necessary materials
- Mark your campus' orientation dates on your calendar

# BASTROP CHRISTIAN HOMESCHOOL ASSOCIATION

## HOME OF THE BASTROP INDEPENDENT CHRISTIAN COOPERATIVE (BICC)

Our Co-op is a group of homeschoolers who come together to worship, learn, play, and serve one another in love. Parents serve as teachers and assistants while their children attend weekly classes with other homeschoolers. Our classes change each year dependent upon the needs and desires of the families participating. Each year we endeavor to have both academic and enrichment courses to assist you with your homeschooling needs. We know homeschoolers don't often fall into just one grade level so our classes usually cover a range of levels: K3-5, 1st-3rd, 3rd-5th, 6th-8th, 9th-12th. As the parent, you decide which level they fit into for each particular class.

### BICC MEMBERSHIP REQUIREMENTS

- Become a member of BCHA, our parent organization first.
- Read the [BICC Handbook](#) and agree to abide by the contents therein.
- Complete a [BICC New Family](#) or [Returning Family](#) application, and submit the \$50 non-refundable application fee.
- Interview with the BCHA-BICC Board, if applicable. (You will only have to interview once every three years.)
- Before the start of Co-op purchase or borrow required texts and materials for classes.
- Pay monthly Co-op fees (\$20 for the first child and \$10 for each additional child with a cap of \$50/family).
- Pay any extra fees for classes like music and cooking as appropriate.

Find the class offerings for 2023-2024 [here](#).  
For specific questions about a class,  
contact us at [info@bcha.cc](mailto:info@bcha.cc).

## GREENBRIAR COMMUNITY SCHOOL

### HOMESCHOOLING IN TEXAS

Greenbriar School is a private school located on 174 acres in rural Bastrop County between Elgin and Bastrop, TX. Curriculum is created each semester based on students needs. It is loosely based on the free-school model of education. All are welcome and tuition is always affordable. Currently classes are offered on Tuesdays and Wednesdays.

Greenbriar School was part of the free school movement spreading throughout America during the 1960's and early 1970's. The initial coalition of parents and teachers secured 172 acres of wooded land between Bastrop and Elgin, Texas and establish Marsalom Inc. in 1969 as a non-profit organization to run the school they named Greenbriar.

Although the undeveloped land held no modern amenities, the founders were enthusiastic and industrious. They drove out early to work on the schoolhouse waiting for the students to arrive, taught classes until the students left, and headed home late after continued work on the facilities. The efficiency of camping out on the land soon became apparent and the Greenbriar Intentional Community was born.

At Greenbriar School, we believe in the intrinsic curiosity of children. It is our goal to cultivate that natural desire for learning and to encourage passion and creativity.

We provide an ever-changing curriculum of classes inspired by the students' interests alongside the basic subjects of reading, writing and arithmetic with a heavy emphasis on being in nature.

Our teachers are passionate about the education of the students and dedicated to the achievement of our goals. Many have degrees in education, making it a lifelong commitment, while others have skills in subjects the students have asked for and have volunteered to share their knowledge.

# CLASSICAL CONVERSATIONS

YOU'RE THEIR FIRST TEACHER BE THEIR BEST TEACHER.

When you homeschool with Classical Conversations, we connect you with a local community of like-minded families who not only learn together, but do life together. We equip homeschool parents with the confidence to raise bright, observant students who have a lifelong love of learning.

## Our Programs

Classical Conversations is so much more than a homeschooling program. Everything centers around community. Working with like-minded families, parents are supported as they learn alongside their children. Whether studying math, science, English, or just how to think critically, you will find yourself redeeming your own education as you are equipped with resources and training to teach your children not what to learn, but how to learn. With engaging, hands-on learning opportunities for all ages, students broaden their minds and develop a Christian worldview with every passing year.

See website to see programs offered per age group...<https://classicalconversations.com>.

# ELGIN HOMESCHOOL CO-OP

The Elgin Homeschool Co-op meets in Elgin, TX for 10 Wednesdays each semester. We welcome all faiths and all ages of homeschoolers (Christian curriculum is sometimes used). We meet from 9:30 - 12:30 and have three 1-hour class periods, and offer both academic and extracurricular options each period. Classes are grouped by: Nursery, Pre-K, K-2, 3-6, and 6-12. From K-12, students have at least 2 classes to choose from each period. We count on our parents to teach all of our courses, and always have a variety of courses to choose from. A parent is required to be on site the entire time to assist in classes as a helper or teacher.

## Cost per semester:

\$150/family - no teaching (parent is on site to help)

\$100/family - teach 1 class

\$75/family - teach 2 classes

# TEXAS CONNECTIONS ACADEMY

Students all across Texas are finding their way forward thanks to the classes, teachers and unique opportunities of Texas Connections Academy. Texas Connections Academy at Houston is a tuition-free online public school that students in grades 3-12 attend from home. Part of the Houston Independent School District, Texas Connections Academy is state certified and open to students located throughout Texas. This is an online program designed to give your student the one-on-one attention and individualized learning environment they need to thrive.

Texas Connections Academy has been helping students see change as an opportunity to become an adaptable learner, ready for whatever lies ahead. Over the past 12 years, we've developed a program that has ranked us second in online high schools in Texas and in the top 30 in the country.\* It's all thanks to our teachers, our parents and, most of all, our students.

Our tuition-free online public school offers students in grades 3-12 a safe, engaging environment where they can learn in the way that works best for them. Not only will your child gain the knowledge and confidence they need for assessments like the STARR test, they'll build fundamental life skills they need to meet tomorrow's challenges.
