

AUSTIN TITLE TECHNOLOGY

CINC PRO

CINC, (Commissions Inc), is the leading provider of web-based real estate marketing and CRM software for elite agents and teams. (CRM = Customer Relationship Management Software).

Developed by users, the CRM offers a dashboard so one can simply and efficiently manage all leads from any source, includes communication tools to keep you organized, web templates to drive leads, and many other features.

CINC PRO AGENT

The CINC Pro Agent Platform will be an introductory product to power small agent teams with 3 or fewer employees who are not a good fit for the CINC Pro platform. The immediate features are similar to CINC Pro with limitations on ad spend, support, users, and overall functionality.

The Platform also serves as a client relationship manager from other sources. The Agents can integrate their existing client contacts into the Platform and integrate leads received from other sources such as Zillow. However, Agents are limited to one free import and future imports are available for a fee.

SKYSLOPE

Everything You Need to Take Your TRANSACTIONS DIGITAL.

SkySlope is the industry standard for digital transaction management. We understand that change is hard, that's why we are dedicated to getting your brokerage up and running while tailoring our software to match your existing workflow.

REAL GEEKS

Real Geeks is an "elite single agent solution", which is an all-in-one Real Estate Sales & Marketing System. It includes an IDX Lead Generation Website, CRM, Automated SMS & Texting, Automated Drip & E-Blasts, Market Reports, Lead Cultivation, Facebook Ad Tool, Home Valuation Tool, and Marketing Services.

AUSTIN TITLE AGENT ONE

Austin Title Agent ONE is a Closing cost calculator app that gives users access to county specific taxes, closing costs, and lender fees from anywhere. It gives you the ability to run quick, easy, and accurate estimates for your buyers and sellers and customize your closing costs, brand printouts and emails with your photo/logo and use filters to post to social media.

Austin Title Agent ONE includes 12 FREE calculators.

ZONABILITY

Zonability adds efficiency and innovation with its specialty data set focused on real estate development. We use a patented method to standardize zoning and future land use data ("pre-zoning") for American cities in order to offer our clients a way to gain fresh insights.

We offer a national data set with select cities focused on change with a heavy data offering in Texas. We can add cities for our clients in a matter of days. It can be used with or without parcel boundary data.

FOR MORE INFORMATION ABOUT THESE TOOLS CONTACT YOUR BUSINESS DEVELOPMENT REP

BREAKTHROUGHBROKER.COM

BreakthroughBroker.com is the country's largest free resource for real estate professionals. The site offers free, easy-to-use resources such as print marketing templates, pre-written and customizable prospecting letters, monthly newsletters, customer presentations, business and marketing plans, technology reviews, checklists, and hundreds of downloads, all designed to help real estate agents sell more homes and make more money.

COREFACT

Corefact provides agents with a complete print marketing center online. Just Listed, Just Sold, Open House postcards and other best of class marketing materials that are easily ordered online and branded with an agent's contact information, photo, brokerage and more.

The unique Corefact Home Estimate and Map Card combination generate listing leads, making Corefact the industries #1 lead generation system!

COREFACT ELITE

Corefact Elite is a 12 month automated farming solution to help promote brand awareness and drive consistent marketing best practices. Corefact Elite will be using their highest performing marketing pieces. This can save the agent hours of work and put their marketing on "auto pilot". The agent still controls the process; but they gain a Corefact Elite marketing specialist that will help with the campaign.

There are two (2) levels of service available.

LISTING PROMOTER

Listing Promoter is an easy-to-use, Web-based tool that provides a real estate agent the opportunity to build a website for a client's property, using the property address as the site's URL (i.e. 123MapleStreet.com).

EC PURCHASING

EC Purchasing is a National Group Purchasing organization that helps our members increase their profitability and reduce expenses on business items they use everyday. By negotiating with well-known, national suppliers, our members benefit from access to greater volume savings and obtain discounts normally reserved for larger organizations.

IPX1031

IPX1031® focuses solely on 1031 tax deferred exchanges. The tax deferred 1031 exchange offers taxpayers one of the last great opportunities to build wealth and save taxes. By completing an exchange, the Taxpayer ("Exchanger") can dispose of investment or business-use assets, acquire Replacement Property and defer the tax that would ordinarily be due upon the sale.
