SCHOOL RATINGS & DISTRICT INFORMATION

2011 Texas Education Agency Accountability Ratings

SCHOOL DISTRICTS MAP

IMPORTANT NOTE: The 2011 Accountability Ratings were made available by the TEA on July 29, 2011. However, be advised that an appeals process may result in changes to some school ratings after that process. The Commissioner will make final decisions and these results will be posted by the TEA in October. Corresponding revisions will be made to our print and web collateral materials and re-posted/distributed at that time.

General questions on school or education issues: tea.state.tx.us/gir/faq/general.html

Texas Education Agency Office: 512-463-9734

Registered alternative education campuses are evaluated using alternative education accountability (AEA) procedures. The ratings for these campuses have AEA: as a prefix to their rating.
